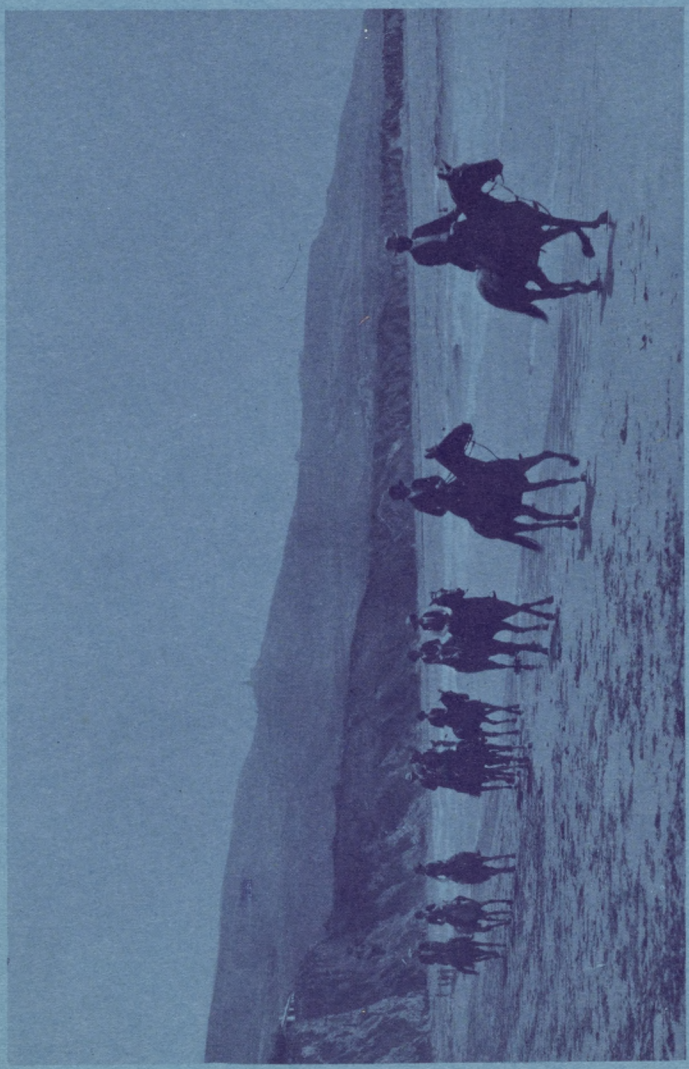
#3



RIDING at Palos Verdes Estates offers unusually interesting bridle trails over the hills, through the canyons and down along the blue waters of the Pacific. These trails lead through park areas, so protected by permanent restrictions that riding, like golf, will always be possible for the residents of Palos Verdes Estates.

I am one of a series telling the colorful story of Palos Verdes Estates.
Keep me—for you will want all of us when the story is finished.
